

What's Included in a Builders Clean Package

- **Debris Removal:** Clearing out rubble, sawdust, plaster, and leftover materials
- **Surface Cleaning:** Removing paint flecks, adhesive residue, and stains from walls, floors, and fixtures
- **Floor Care:** Vacuuming, mopping, and sometimes carpet cleaning or polishing hard floors
- **Window & Glass Cleaning:** Washing and polishing windows, frames, and mirrors
- **Kitchen & Bathroom Sanitization:** Deep cleaning sinks, taps, tiles, grout, and appliances
- **Dusting High Areas:** Cleaning vents, light fixtures, skirting boards, and switches
- **Exterior Jet Washing:** Driveways, patios, and cladding may be pressure-washed

💡 Ideal For:

- New builds
- Renovated homes
- Commercial properties post-construction
- Property developers preparing for sale or lease
